Tasting Notes

The Blanc de Blancs is the result of a very selective blend of 100% Chardonnay from the Côte des Blancs and, in particular, the cuvée base 2016 is composed of 10 crus of Chardonnay, the most sought-after grapes in the region.

For this cuvée, only the juice from the first press are used and, the wines benefit from a slow and long maturation of 3 to 4 years, far beyond the norms of the region.
