Tasting Notes

PN VZ16 is the second interpretation in a new series that will be released every year, always with a focus on one of Bollinger's Pinot Noir crus, or villages. Each year the cuvee will be an expression of a different cru from the base year that highlight's its distinctive terroir and taste. PN VZ16 highlights Verzenay (VZ) which makes up 50% of the blend with the balance from Avenay and Tauxières. The blend features 50% from 2016 and 50% of Bollinger's reserve wines with the oldest from 2006.
